Dear Parents and Students,

On behalf of our Pastor Fr. Tom Shoemaker, Fr. James, Fr. Royce, Sister Genevieve, Mr. Hoersten, and all of our Faculty and Staff, we wish everyone a safe and joyous summer! Be good. Be safe. Be faith-filled. And, be of good spirit all the days of summer! We will miss you, but you need some time away from us! (and maybe us a bit of respite from all of you :).)

Seriously, I was getting a little emotional at the 8th Grade Graduation Mass Thursday evening. This school year, although a good year, has been intense emotionally. There really wasn't much time to mourn the loss of Monsignor John just from an administrative standpoint, let alone from the viewpoint of a friend. A school year is like a large ship sailing towards a destination to be reached in 180 days. Once we set sail, there really is no stopping, or even slowing, the voyage. But as we near the end, land is in sight, and we begin to reflect upon those who went missing during the year, and those who won't be aboard next year. We will miss them. So, lest we miss the opportunity, I want to take a minute to bid a fond farewell to a few of them.

Goodbye to Father Royce and Congratulations! Father Royce has been assigned to be the Pastor of St. John the Evangelist Catholic Church in Goshen, Indiana. The St. John's Parish is about 60% Spanish and 40% Anglo, and Father is eager to use his polished Spanish to reach all of his parishioners. This is a bittersweet move in that we hate to lose Fr. Royce, but we are happy for him, as this is a big responsibility at a young age. May God bless Fr. Royce - a priest in the order of Melchizedek!

Goodbye to Mrs. Adams. She will be staying home with baby Lawrence. We will miss Mrs. Adams' passion for social studies, her religious insights, and her spiritual role-modeling. We thank you for being with us. Enjoy spending time with husband and baby.

Goodbye to Mr. DiFilippo. We are appreciative of his good work among our students these past months filling in for Mrs. Adams in grade 6. Mr. DiFilippo is hoping to find a position teaching religion full time in either junior high or high school. We wish him God's blessing moving forward.

Goodbye to Mrs. Jackson. We appreciate her good work in grade 6 language arts, especially her caring for the students. We also wish her God's blessing as she settles into to a new teaching job in the months to come.

Thank you to Mrs. Horne as she will be stepping away after 11 years of serving as the grade 4 aide to spend more time with her family. Always helpful to the teachers and students, we appreciate all that she has done for us. Also, if you need a candle made or a some help making a candle, know that Mrs. Horne is a veteran of Settlers' Days. We will miss you Mrs. Horne.

Thank you to Ms. Shannon who served as our grade 6 aide this year. We appreciate you coming in and working so well with our students. We appreciate your kindness and we wish you well in the future.

Thank you to Mr. Jinks who has served as a teaching assistant for Mrs. Chaney in grade 3 for these past two years. Mr. Jinks has stepped up to fill in many of the liturgical duties for Mrs. Hope while she recuperates. Additionally, Mr. Jinks will begin his student teaching next year. Best wishes on finishing your education. See you at Mass this summer.

Thank you to Mrs. Pikel who has served as Mrs. Conroy's kindergarten aide for the past XX years. Mrs. Pikel will begin transition-to-teaching classes in the fall in pursuit of her teaching license. We appreciate her gentle touch with our students.

In closing, thank you parents for your children and your support! You are the primary educators of your children, and overall, I think you do a great job! As parents, let's try to be firm, but gentle in spirit (word & deed) towards our children. Encouraging our children and one another daily, through prayer and kind deeds, not only builds up our young ones and our community, but also builds us up personally. Be safe. Be good. Stay close to God. Enjoy the summer! Sincerely - Rob S.

Please Take Care of Any Outstanding Fees/Accounts Before Summer Break Any unpaid tuition, fines, lunch accounts, damaged books, iPad/Chromebook repairs, etc., will result in student report cards and records being held until all accounts are paid in full. Per Diocesan policy, no other Diocesan school may accept/enroll a student from a sending school if financial accounts are in arrears. Please give attention to anything outstanding. Contact the the school office if you have any questions.

May Virtue - Sincerity

From *Disciple of Christ Educator Guide*: Sincerity is related to the Cardinal Virtue of Justice and Piety, the Gift of the Holy Spirit. Sincerity means trustfulness in words and actions; honesty and enthusiasm towards others.

Scripture: Mark 1:4-5 "John the Baptist appeared in the desert proclaiming a baptism of repentance for the forgiveness of sins. People of the whole Judean countryside. . . were being baptized by him in the Jordan River as they acknowledged their sins."

Week	Scripture Reflection	Saint Focus - St. Vincent Ferrer, St. Anthony of Padua, St. Peter Claver, St. Augustine of Canterbury	Challenge and/or Goal
May 22	<i>"For there is no distinction between Jew and Greek; the same Lord is Lord of all, enriching all who call upon him." Romans 10:12</i>	St. Augustine of Canterbury (died approx. 604) Pope Gregory the Great asked St. Augustine, a monk, to take thirty missionaries and evangelize England, a pagan country. When they reached England, they were afraid because they could not speak the language. Yet Augustine and his men worked hard to teach the natives to trust them: they learned English customs and the language, removed pagan idols without destroying the temples, and lived simple, sincere, Christian lives.	We say what we mean; build trust by our words and actions; state when we are sorry and for what we are grateful.

St. Charles Robotics Club

The St. Charles Robotics Club is beginning to recruit current 4th-7th graders for next year's team. The students had the opportunity to sign-up in their classrooms this week. If they did not, please have them see Mr. Hoy or Mr. Heimann. Our school team is a member of the larger organization First Lego League (FLL). First Lego League introduces students to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface.

Students in St. Charles Robotics get to:

- Design, build, test and program robots using LEGO MINDSTORMS® technology
- Apply real-world math and science concepts
- Research challenges facing today's scientists
- Learn critical thinking, team-building and presentation skills
- Participate in tournaments and celebrations

For anyone who is interested in the St. Charles Robotics team there will be a 3-day summer day camp preparing for the upcoming season. The days will be **Tuesday through Thursday, July 18-20 from 10am-2pm in the science lab**. Topics to be discussed are: programming and techniques, innovative robot design, principles of programming, and video editing. There will be a \$10 nominal fee per student. Thank you in advance and we look forward to seeing you in July! If you have any questions about the club, please contact Mr. Heimann, Mr. Heckber, and Mr. Hoy at legorobotics@stcharlesschoolfw.org.

The points earned over the summer count for the first quarter of 2017 school year. Plus, if your child takes a test over summer, they will be eligible to win gift cards! The more tests students take, the more likely they are to win.

Students may read any AR books from home, any branch of the Allen County Library, or our school library. To see if a particular book has an AR test go to: www.arbookfind.com. After typing in the name of a book, you will be able to see the reading level and number of AR points for that book, along with a summary and much more. The only place students may take tests is at the St. Charles Library. Tests are available on school computers only.

NEWS NOTES FROM YOUR SCHOOL NURSE

VISION REFERRALS: The State of Indiana requires that we do a yearly vision and hearing screening on appropriate grade levels. This was done in early October. Failure and borderline failure referral letters were sent out promptly. Where are your vision referral forms? Contact me in the office if you may have misplaced your child's vision referral form or write a note that an eye exam was completed and the results of it. Many forms are outstanding. Our state report is due very soon.

IMMUNIZATIONS: Kindly send in your child's immunization dates. Do not wait until the last minute and cause yourself stress. Make kindergarten physical appointments now, and have immunizations completed in the doctor's office, at a clinic, or SuperShots. Remember to bring your child's vaccination record to that appointment. Then, have this information sent to school now. It is due, by Indiana state law, on the first day of school.

Those needing immunizations were noted in detail in a previous newsletter.

Here is a quick recap:

Current 5th graders need: Tdap and Meningitis vaccines. Hepatitis A is recommended.

Next year's K-3 need 2 Hepatitis A, 2 MMR, 5 Dtap, 4 Polio, 2 Varicella, 3 Hep B.

All other grades: Hepatitis A is recommended at this time but it will eventually be a requirement.

Medications: All medications not picked up by the last day of school will be destroyed. Please pick up your meds last week of school. (Epi-Pens may not be picked-up until the last day of school for obvious reasons.) We **cannot** store ANY Medications or Epi-Pens over the summer break. Please remember to pick up your meds.
