**Our Mission: To Teach, Love, Live and Learn as Jesus Did**  
**Our Vision: Share Faith, Serve Others, Seek Knowledge**

As a school community, during the month of February we will **Set An Example in Wisdom**. Wisdom is one of the seven gifts of the Holy Spirit. In the Book of Isaiah 11:2-3, the Gifts of the Holy Spirit are described. In the passage the gifts are considered ones that the Messiah would have possessed. Through Jesus, we also receive the Gifts of the Holy Spirit in the Sacrament of Confirmation. **Wisdom** helps us recognize the importance of others and the importance of keeping God central in our lives.

*"Behold, I am sending you like sheep in the midst of wolves; so be wise as serpents and simple as doves."* Matthew 10:16

*"Conduct yourselves wisely toward outsiders, making the most of the opportunity."* Colossians 4:5

**Dear Parents,**

**A few words of 'thanks' from the Borromeo Bash 2019 Planning Committee:** "A HUGE THANK YOU to all sponsors, donors, volunteers, and guests of the first ever Borromeo Bash held on February 2, 2019! What a great night of food, fellowship, and fun! While there are some final numbers still to be crunched, it appears that our goal to raise funds to update the computer classroom will be met. The committee will meet in a few weeks to go over final numbers and report back to the school and parish community. If you have any feedback you would like to give, simply send an email to [borromeobash@gmail.com](mailto:borromeobash@gmail.com) Thanks to all of you who made this evening a success. -Borromeo Bash 2019 Planning Committee

**On behalf of our school community, I echo the Committee's appreciation for all** who attended and/or supported the evening. Thank you also to our committee co-chairs Kari & Matt Smith and Roby & Chris Kaufman for their stalwart leadership, and to our determined and talented committee members for staying positive and grinding it out. Thanks to all for helping with our new computers!

**CYBER SAFETY FOR KIDS Presentation - Thurs., February 28th! & PARENT PRESENTATION 6:30-7:45 p.m. Hession Ctr.** Cathie Bledsoe, ICAC (Internet Crimes Against Children) Youth Educator, Indiana State Police, will be speaking to students in grades 3-8 on February 28th about important rules of Internet safety. Presentations are age appropriate and will address the safe use of all devices, gadgets, apps and websites. Technology changes all the time and kids are always finding the latest websites and apps. It is truly hard to keep up! Therefore, there will also be a presentation for parents in the Hession Center that evening. Enter Door #3.  
Grades 3 and 4 9:15-10:15      Grades 5 and 6 10:30-11:30      Grades 7 and 8 12:30-1:30      **Parents 6:30-7:45**  
If you have questions or want more information, please call Sarah Robinson at 969-4036.

**PiggyBacking on Cyber Safety & Cell Phone Rules in School** - Just a reminder that cell phones are to be turned off and left in book bags during school hours. I understand students may need phones for after school, safety walking home, etc., which is fine, but during school, phones are not to be used, seen, or heard going off. Violating these rules results in an automatic major with detention and the phone goes to the office to be picked up by mom or dad. Additionally, if it is suspected that a student may have electronic recordings, files, texts, screenshots, etc., on his phone that ties to inappropriate behavior (bullying, sexting, coercion, slander, etc.) involving fellow students, faculty, or staff, I reserve the right to ask for the student phone to be held until opened in the presence of the student's parents. Refusal to open the phone and access digital material may be grounds for suspension and/or expulsion.-Rob Sordelet

## BOX TOPS FOR EDUCATION CONTEST

The Fine Arts Boosters' Box Tops for Education second contest has two remaining turn-in dates: February 14 and 21. First, second and third place prizes will be awarded to the classrooms with the top turn-ins at the end of the contest. Please clip Box Tops and send them into the classroom in plastic ziplock bags in quantities of 50, with 50 marked clearly on the bag. If you do not have 50 Box Tops make sure the quantity is clearly marked, and they will be combined with other turn-ins from the same classroom. All bonus Box Tops should be turned in separately. In addition please check the expiration dates on your Box Tops. We cannot include those that have expired. Thank you for helping to make our Box Top collections so successful. The Fine Arts Boosters earned almost \$3,000 from Box Tops for Education last year for St. Charles. These proceeds support the enrichment assemblies for all students which this year will include marionettes, an author, a composer/musician, a historian/actor, 2nd grade trip to The Nutcracker, and 5th grade trip to the Philharmonic at The Embassy.
