**Our Mission: To Teach, Love, Live and Learn as Jesus Did**

**Our Vision: Share Faith, Serve Others, Seek Knowledge**

**"In contrast, the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, self-control. Against such there is no law."** Galatians 5:22-23

**"Every athlete exercises self-control in all things. They do it to receive a perishable wreath, but we an imperishable one."** 1 Corinthians 9:25

During the month of January the virtue we focus on is **SELF-CONTROL**. Temperance, represented by an olive wreath is the cardinal virtue that crowns our decisions and joys with a holy balance and right discipline. Another word for the olive wreath is the *kotinos*, with which winning athletes in ancient Greece were presented. By temperance we all win the "prize" of self-control and true peace. If we learn self-discipline we practice self-control and are using the Cardinal Virtue of Temperance. With another new year beginning, many of us make resolutions or promises. What a perfect time this is to learn to control our words or actions and practice this new virtue!

## Upcoming Schedule Change

**Monday, February 5th - One Hour Delay Students report to school by 8:50 a.m. [ACE Inservice]**

## Dear Parents,

I hope you are well. Last Thursday, as I shared with you previously, a Diocesan Internal Review Team consisting of five Principals and three teachers visited our school to conduct an AdvancED Accreditation assessment. The team members arrived by 6:30 a.m. and left us at 4:30 p.m. The team met with over one-hundred faculty, staff, students, and representative parents and volunteers. Overall the Diocesan team was very positive in their assessment of our school. When the final report is officially sent to me, I will share it with all of you. Please know that we are a successful school. Of course we are in a continuous improvement mindset, and we are identifying areas in need of growth and progress, but we work hard to keep moving in a positive direction. The continued success that our school has maintained is due to the collaboration of all of us. US = Involved parents, interested students, caring volunteers, dedicated faculty and staff, active Priests and Religious, and an up-to-date administrative team. The team was impressed by the overall commitment, stability, vision, and quality of OUR St. Charles Borromeo School.

In closing, we are beginning the period of winter and school that I refer to as the 'grind'. They call it 'Bitter Cold' because after a while it is easy to get bitter or cranky with the continued freeze. Unfortunately, if we have no more weather events, we will go through a stretch of nearly fifty days of school before we hit Spring Break. I encourage all to stand fast and not give in to the gray. Get to school a few minutes earlier vs. later. Get out and work/walk/play in the sunlight. Be a little more organized than usual. Spread a great deal of kindness and encouragement, even extra 'Pleases' and 'Thank You's' can make a difference. And always, more prayer. Pepper the day with prayer. Pop! Brief prayer here. Pop! Brief prayer there. Pop! Pop! Pop! Thank you for your children. -Rob S.

**SCHOOL PLAYGROUND POSITIONS ARE AVAILABLE MONDAY THRU FRIDAY**  
**These are paid positions. Please contact Lora Beier at 485-5590 if you are interested**

## PLEASE READ AND SAVE

### **ATTENTION: Parents of current 5<sup>th</sup> grade students regarding 3 vaccinations.**

#### **The new Hepatitis A vaccine requirement for entrance to 6<sup>th</sup> grade starts this month!**

HEPATITIS A -- is a series of two vaccinations given 6 months apart. You must start the first vaccination this month (**JANUARY**) in order to be able to **complete the second dose prior to the first day of school.**

Also, remember a Tdap vaccination and a Meningitis vaccination are required once your child turns 11 years old. HPV vaccine (human papilloma virus) is recommended to prevent a cancer but is not a requirement. (\*Information regarding HPV is located on our school website.)

A form is due in the office from the doctor or provider that gave these three required vaccinations no later than the very first day of school in August. This is mandated by Indiana Code 20-34-4-2 and IC 4-22-2. It is best to make plans today and do not delay! This is a second notice.

### **ATTENTION: Parents of students entering K-4 next year.** This is just for your information.

The Hepatitis A Vaccination was extended to 4<sup>th</sup> graders for our next school year. (I believe everyone to be up-to-date. However, I will contact you if your child is missing any vaccinations or some were given too soon and need to be repeated.) Please, do not send in copies of immunizations unless contacted to do so.

3 Hepatitis B	2 MMR
5 DTAP	2 VARICELLA
4 POLIO	2 HEPATITS A

Hepatitis A vaccine continues to be on a 'catch up' schedule. It will eventually be a requirement for all grade levels.

Please contact me in the school office if you have any questions or concerns. Thank you very kindly, *Mrs. Christa Thrower, RN*

## SCRIP NEWS

**Catholic Schools Week** – Next weekend begins Catholic Schools week. Every year we take a week to celebrate our schools, our teachers and the freedom that affords us the opportunity to provide our children with a Catholic based education. **SCRIP** will join the celebration with a special giveaway. Be sure to place an order sometime that week for your chance to win.

**Next Sunday SCRIP sales will take place in the cafeteria after all the morning Masses. Come and enjoy coffee and donuts while checking out the ways you can make SCRIP work for you. Saturday evening sales will be in the SCRIP room in the Gathering Space as usual.**

**SCRIP Credit Statements** – It's bonus time! That right, the statements for the rebates earned for the 2<sup>nd</sup> half of 2017 are ready. Some of the statements went home on Tuesday, most of them have been sent home with your St. Charles student today. Please check your child's backpack. If you know someone who doesn't have a student, you can tell them that their statement can be picked up at the SCRIP sales table. If you have a student and you did not receive your statement, contact the SCRIP office. Be sure to follow the instructions on how to redeem your rebate. Whether you are using it for tuition, lunch accounts or other school fees, it must be signed and the entire statement turned in to the SCRIP office; we will make sure it gets to the proper place.

If you plan to save it for use at a later time, it is **REALLY IMPORTANT** that you keep it in a safe place. Treat it like you would any check, cash or any other form of legal tender.

**KROGER - Time to Re-enroll** – Don't forget, if you have a **Kroger Plus Card**, you want to be sure to link it to St. Charles. If you have never done this, it's very easy.
