Our Mission: To Teach, Love, Live and Learn as Jesus Did

Our Vision: Share Faith, Serve Others, Seek Knowledge

"Tell them to do good, to be rich in good works, to be generous, ready to share, thus accumulating as treasure a good foundation for the future, so as to win the life that is true life." 1 Timothy 6:18-19

During the month of May the virtue on which we focus is **GENEROSITY**. Without generosity, people act uncaring, refusing to share their belongings, their time, and their friendship. People who need help feel helpless because no one will give them what they need. When we give freely, especially if a sacrifice is involved, our spirit grows strong. When one person is generous, other people want to be generous too.

A Celebration of Young Authors

Nearly forty students recently gathered in the Saint Charles Parish Hall to share books that they had composed and illustrated. These first and second graders met in small groups with adult leaders and shared their stories. Students enjoyed refreshments and received a certificate.

A city-wide conference at Wayne High School was held on April 21st, and these second graders represented Saint Charles: Matthew Bulanda, Emma Schortgen, Kyra Hartman, Lily Hilger, Alex Hoffman, Elijah Prado, Ava Rorick and Natalie Ade. First graders included the following: Abigail Hasselschwert, Tyler Rodenbeck, Kira Kovacs, Presley Meta, Juliet Keefer, and Maci Cagnet.

Congratulations to all of our young authors for a job well done. *Mrs. Martha Berghoff, Enrichment Coordinator*

BISHOP DWENGER RIFLE TEAM

The Bishop Dwenger Rifle Team continued its winning ways this year completing its 7th season and winning its 6th consecutive state championship. Individual and state records were broken this year with a powerful squad. The X Count serves as the training facility for the team and will again offer the introductory summer camp to help prepare athletes for competition as they approach their high school years. They also provide junior high training throughout the school year after participation in summer camp. The camp is a great way for youth to be safely introduced to the fundamentals of Olympic Style Rifle. The registration form is attached.

The athletes we have trained have gone on to win state championships, break state records, and qualify for national events including but not limited to the Junior Olympics at the Olympic Training Center in Colorado Springs. A select few have also received collegiate scholarships.

Our head coach has received significant advanced training most recently being named the United States delegate to the International Shooting Sports Federation Coach Class in Bar, Montenegro this fall. Only 10 participants are invited worldwide. Feel free to check out the short story in the Journal Gazette this past Sunday.
