Our Mission: To Teach, Love, Live and Learn as Jesus Did
Our Vision: Share Faith, Serve Others, Seek Knowledge

"The person who is trustworthy in very small matters is also trustworthy in great ones; and the person who is dishonest in very small matters is also dishonest in great ones" Luke 16:10

"Let your 'Yes' mean 'Yes,' and your 'No' mean 'No.' Anything more is from the evil one." Matthew 5:37

During the month of October, the virtue we focus on is **RELIABILITY**. Reliability means that others can depend on you. You keep your commitments and give your best to every job. You are responsible. You don't forget, and you don't need to be reminded. Other people can relax knowing things are in your reliable hands.

You are practicing reliability when you ...

- Make promises you can keep
- Really care about doing what you promise
- Return things you borrow
- Do your best and finish on time
- Find another way if obstacles occur
- Plan ahead

Dear Parents and Students,

I encourage you to never lose hope when struggles arise with your children. Obviously, at times very serious issues arise that cause great worry and stress, and those need prayer and immediate attention. Often, however, we worry about so many things that are not emergencies. As parents we allow smaller issues to cause us worry, anxiety, anger, frustration, sadness, and so on. Staying stressed out is not what God wants us to do. We are called to trust God and to do the best that we can with our children. That does not mean perfection on the part of our children or as parents. From scripture we see that the closest followers of Christ, the Apostles, were good people and at the same time bumbling. We too are allowed to be bumbling as parents. Well meaning, but not perfect. In the end, it is amazing how, after time passes, we look back and realize that what we thought were crises at the time, are now almost forgotten. Gentle words, a listening ear, patience, faith, love, and reliability - that is what will help our children and spouses the most.

In closing, if you have any concerns or needs from any of the teachers, staff, or administration, please contact us. Our main focus is to support our parents in forming children academically and spiritually, and positive communication is key to achieving this goal. Thank you for your children, and have a great week. Sincerely - Rob S.

Virtual eLearning Day Instructions

Again this school year, we will implement the virtual learning option as outlined by the state. Teachers are ready to provide lessons via the Internet for our students that will continue the flow of student learning and eliminate the need for extra make up days.

The iPad/Chromebook program in grades 4 through 8, which uses the Canvas learning management system, provides real-time services for those students. Additionally, webpages designed by teachers in grades K through 3 with links to online academic sites in reading, math, English, etc., will provide the same opportunities for our younger students. Please read the further virtual eLearning information.

In the event that virtual eLearning is used when school must close due to weather or other emergency, teachers will post active assignments to the school web site, at the latest, by 9:00 a.m. on the day of the closing. On virtual learning days, to best support student learning teacher office hours for school closing days will be from 9:00 a.m. to 2:00 p.m.

eLearning Assignment Links & Contact Information Accessed Through the School Website

Each grade level will have its own eLearning page. These pages can be found by clicking the eLearning tab on the left hand side of the School Website or at the following link: <http://www.stcharlesschoolfw.org/eLearning.php>. Once there, you will need to click on your child's grade level to access his assignments and instructions for the day. Individual teacher emails are also provided on the school website. Administrators will be in the school office for contact by 9:00 a.m. The school phone number is 260-484-3392 and we will also be monitoring the tech support email at - eLearning@stcharlesschoolfw.org

eLearning Day Home Folders/Packets for Students in Grades K-3

Students in K-3 should have received their home eLearning folder/packet to keep at home to assist with the eLearning days. The folder will provide general materials (graphic organizers, paper, reference charts, etc.) and information for parents (directions, support contact information, etc.) for reference to help assist your children in working through the eLearning lessons.

Below are details that may answer any further questions.

1. Assigned online lessons should take not more than 5 hours of your child's time.
2. The lessons will be aligned to the curriculum and current material being covered in class.
3. Lessons will not require that anything be printed in order to complete them.
4. If you have a child with special needs, you will receive an email from a resource teacher with instructions specifically for your child.
5. We recognize unforeseen circumstances such as power outages may interrupt learning. We will consider these situations on an individual basis. **Thank you for your cooperation. -Rob Sordelet**

HASA 300 CLUB 2017-2018 IS HERE! PURCHASE A \$100 CHANCE & INCREASE THE SAFETY OF OUR SCHOOL!

Hello! The St. Charles HASA (Home And School Association) would like to thank you for all that you have done, and continue to do, in support of our Parish School. We write today to inform you of our **15th annual** offer to join the **HASA 300 CLUB**. This is a fun opportunity for you to personally win money and benefit our parishioners and students.

This past year, which was our fourteenth for the club, we sold 198 chances out of 300. After payouts and printing expenses, we have been saving our proceeds for the purpose of making our school as safe as possible. With this in mind, with proceeds from last year's HASA 300, we have saved half the money needed to install 3M safety and security window film on 155 of our glass windows and doors. This film provides energy efficiency and fortification against break-in and severe weather. So thank you for your help!

As you can see, the proceeds produce positive results so let us explain how you can join this year's 2017-18 **HASA 300 CLUB**. (There are only 300 chances available, no more. Thus the name - HASA 300.) For \$100.00 a chance, any number of chances can be purchased on a first-come-first-served basis. This could accumulate a total income of \$30,000.00 (and we always hope for a sellout).

- ◇ Each week a name is drawn from the 'hat' for a weekly amount of \$150.00.
Times fifty-two: The payout would be \$7,800.00 for the year.
- ◇ Two special drawings are made in the course of the year: One at Easter and one at Christmas.
Each of these special drawings pays \$500.00. Times two: The payout would be \$1,000.00.
- ◇ Each winning ticket stays in the 'hat' for the entire year, so you could win once, twice, etc.
- ◇ Weekly winners will be listed in the parish bulletin beginning the weekend of Sunday, Nov. 6th.

The above payouts of \$8,800.00 are subtracted from the total income - a maximum of \$30,000 if all chances are sold. The remaining profit after payouts will be divided two ways. Proceeds may be used to assist with parish tuition assistance, the needs of parish ministries, and other needed school/parish programs and projects.

That's how it works! So here's what to do: Get out a pen, checkbook, and envelope, and write a check to "**HASA 300 CLUB**" for as many chances as you would want times \$100.00, then mail it to the parish or drop it in the church collection basket marked "**HASA 300 CLUB**". Invite a friend or neighbor to do the same.

The first weekly drawing for 2017-2018 will be October 23rd, so don't delay and you won't miss out on even one chance. Remember, you have 54 chances to win (52 weeks plus the special drawings). Please give it a try. There are no losers as all profits benefit parishioners in large and small ways.

Again, the 2017-18 HASA 300 CLUB proceeds will be used to **purchase 3M safety and security window film on 155 of our glass windows and doors**. Thank you, and remember - We are one body in Christ!

St. Charles Borromeo Parish "Moms" group meeting bi-monthly in the Gathering Space at Church. This is not a pitchfork and torch mob planning to run out the principal, rather the purpose of the group is to provide a venue in which moms can gather to socialize, share faith, and in general support one another and help build community in the Parish. The Moms Group will meet 10/18 at 9am in the nursery. Children can play in the Parish Nursery, while moms supervise and socialize. The hope is that in addition to the twice monthly play dates, that a once a month evening gathering can be scheduled that is more of a Bible Study and/or a Moms' Night Out evening. All moms and little ones are welcome. For more information, you can contact Samantha Brooks at fsu8004@msn.com or by phone 260-414-6362. Thank you!

News/Notes from your School Nurse

Our annual state mandated Health Screenings took place last week for our students.

Regarding Vision Referrals: On Tuesday the students were checked with the Snellen Eye Chart. Using those results the students are then given a vision screening by the eye doctors on Wednesday. If a student fails the vision screening it means they will need a prompt full eye exam. The failure means they are having difficulty seeing properly NOW. If possible, all vision referral appointments should be completed by the end of December. Please take the referral form we mailed to you to your scheduled appointment and return it to our school office. Please contact Nurse Thrower in the school office if you have any questions or concerns.

A great big shout out to our eye doctors, Dr. Troy and Dr. Drew from Hockemeyer Family Eye Care located at 10848 Rose Avenue, New Haven. Phone # 493-1505 and their assistants Megan Parent and Leslie Howard. Dr. Myra Weber from St. Joe Vision located at 6110 Maplecrest Road. Phone # 486-8833, and also **to all of the wonderful volunteers** that helped with the massive effort of health screenings: Cheryl Morello RN, Dorla Rice, Cindy Miltner, Sarah Lahey RN, Judy Kohrman RN, Carolyn Minich RN, Sarah Brust RN, Nicole Kelker RN, Deb McCarter RN, Jen Prado RN, Andrea Denney, Cynthia Villaneuva, Kristy Lamers, Joanie Brown RN, Amy Cochran RN, Margaret Digan RN, Nancy Federspiel, Sis Wehrly, Stephanie Fabini RN, and Lisa Madinski. Safe Environment/Boundary Programs Scheduled

The Diocesan required Safe Environment (K-6) and Boundaries (7-8) Programs have been scheduled for this year. Although our initial motivation for doing this training came from the Bishops' mandate in the **Charter for the Protection of Children and Young People**, we now know that this is important personal safety information all children should have. A specific script has been developed for us to implement. I will be talking to each K-6 classroom in October and November this year. I will also be presenting the Diocesan required Boundaries Program to 7th and 8th grades in October and November during their Religion classes. A copy of the PowerPoint used in grades 1-5 is attached to this newsletter for your review.

Safe Environment/Boundary Programs Scheduled (continued)

If you are interested in receiving a specific copy of the information presented to Kindergarten or of the PowerPoints for 6th, 7th, or 8th grades before the presentations, they can be found in the office. **According to diocesan policy, if you do not want your child to participate, a Parent Refusal form must be signed prior to the presentations. These are available in the office. A copy of the PowerPoint will be sent home with your student.** You are welcome to come sit in the back of the classroom during presentations. You will need to let me know if you plan to attend. Thanks! Mrs. Robinson, 969-4036
