I Fight with Joe Benefit! Sat., March 25th 1:00-9:00 p.m., Fraternal Order of Eagles #248, 4940 Bluffton Rd 46809

Joe Fast, aged 21, is the older brother of one of our students, Morgan Griffin, grade 8, has been receiving treatment in Indianapolis for Leukemia for over a month. In early February, after becoming violently ill, doctors’ tests discovered that Joe had suffered a Hemorrhagic Stroke (brain bleed), and that Joe had Leukemia. The situation was touch-and-go as Joe was fighting to live. Thankfully the bleeding on the brain has stabilized and Joe is being aggressively battling the Leukemia for the past four weeks. A Go Fund Me page has been established, along with the upcoming benefit to help with Joe’s expenses. Thanks to all for your prayers and support. More information can be found at <https://www.gofundme.com/joe-fasts-battle-with-leukemia>.

March Virtue - **Temperance (The Fourth Cardinal Virtue)**

From *Disciple of Christ Educator Guide*: **Temperance**, represented by an olive wreath, is the cardinal virtue that crowns our decisions and joys with a holy balance and right discipline. Another word for the olive wreath is the *kotinos*, with which winning athletes in ancient Greece were presented. By temperance we all win the “prize” of self-control and true peace.

Scripture: 1 Corinthians 9:25 “Every athlete exercises self-control in all things. They do it to receive a perishable wreath, but we an imperishable one.”

Week	Scripture Reflection	Saint Focus - Bl. Charles de Foucauld, St. Josemaria Escriva, St. Kateri Tekakwitha, St. Anthony of Egypt, St. Andre Bessette	Challenge and/or Goal
Mar. 20	<i>"Go not after your lusts, but keep your desires in check...Have no joy in the pleasures of a moment..." Sirach 18:30, 32</i>	St. Josemaria Escriva (1902-1975) was a priest from Spain. He taught that everyone is called to holiness by God and that ordinary life can result in sanctity. When he was a child, his parents and grandparents taught him short, simple prayers to say. He never forgot them. He said these for the rest of his life.	Do I exercise the freedom to say 'no' to my wants and desires? Do I use moderation in my use of things and created goods?
Mar. 27	<i>"For the grace of God has appeared, saving all and training us to reject godless ways and worldly desires and to live temperately, justly, and devoutly in this age..." Titus 2:11-12</i>	St. Andre Bessette (1845-1937) was known as the miracle worker at St. Joseph’s Oratory in Canada. Many people with illnesses or injuries came to this doorkeeper of his community for help. He prayed for them to St. Joseph, and many were healed. Although God’s grace was evidently working through him, Brother Andre never took credit for the healings. He insisted that they were all due to St. Joseph’s intercession.	Do I work to overcome my challenges, face new situations with courage and confidence, and ask God for help when I need it?

Indiana Severe Weather and Flood Preparedness Week 2017

[Weather.gov](#) > [Indianapolis, IN](#) > Indiana Severe Weather and Flood Preparedness Week 2017

March 19-25, 2017 is Severe Weather Preparedness Week in Indiana.

The National Weather Service, in conjunction with the [Indiana State Police](#), the [Indiana Department of Homeland Security](#), the [Indiana Department of Education](#), the [Indiana Broadcasters Association](#), the [American Red Cross](#), and [Amateur Radio Operators](#) will conduct a statewide test of communication systems on Tuesday, March 21 at 10:15 AM and 7:35 PM EDT.

Important - while the drill will be sent using live TOR EAS coding (Tornado Warning), **it is only a test**, and will be postponed to Wednesday, March 22 if weather conditions warrant.

As part of NWS efforts to build a [Weather Ready Nation](#), the goal of Severe Weather Preparedness Week is to better educate people about the hazards of severe thunderstorms and tornadoes, and to help everyone be prepared when severe weather occurs. Each day will focus on a different topic:

- Sunday: [Kick-Off](#): Discuss partners' roles in severe weather
- Monday: [Severe Weather Outlooks and Watches](#): Partners' roles at the outlook and watch stages of an event
- Tuesday: [Warnings](#): Taking action when warnings are issued (**Statewide Tornado Drill Day**)
- Wednesday: [Response](#): Partners' roles in responding to disasters (real-time response)
- Thursday: [Recovery](#): Partners' roles in the recovery process (days/weeks/months after disaster)
- Friday: [Weather Ready Nation](#): How we are working to build a Weather Ready Nation
- Saturday: [Wrap-Up](#): Importance of preparedness and action during threatening hazards

Please read our [Preparedness Week brochure](#) (2.4MB pdf) for details. Click [here](#) (6.6MB pdf) for a kids' activity booklet from the [Indiana Department of Homeland Security](#).

What should you do at each step as severe weather threatens - outlook (hours to days in advance), watch (minutes to hours in advance), warning (event is threatening now)? [Think READY \(outlook\)](#), [SET \(watch\)](#), [GO \(warning\)](#)!

To help you be ready, find out how to get [one tap access to the National Weather Service on your smartphone](#)!

This week, we also remind Hoosiers to be aware of the underappreciated but deadly dangers of flooding. Click the "Turn Around, Don't Drown!" barriers below to learn more. Click the flood safety image to see a Turn Around, Don't Drown PSA on YouTube.

Our partners at the [American Red Cross](#) have released a "flood app" for smartphone and tablet users. It provides location-based flood and flash flood watches and warnings from the National Weather Service, as well as the ability to quickly send an "I'm Safe" message to the Red Cross in case loved ones are unable to contact you. Additionally, the application provides access to lifesaving tips on actions to take, shelter locations, and more. Click [here](#) to see it and other Red Cross safety applications designed to help you prepare for and respond to life-threatening weather emergencies and other hazards.

As part of NWS efforts to build a [Weather Ready Nation](#) with our partners and the public, severe weather preparedness efforts have also gone national in recent years. Click the image below to learn more about what YOU can do to "Be a Force of Nature."
